

Junior & Youth Refund Policy

- If the club is unable to place a player into a team, a full refund is available. This however does not mean the specific team that you may want to play in.
- If for some reason you decide not to play more than one week before the season starts, did not trial and were not selected for a team then a refund will be made less a \$40 administration fee.
- Should you decide not to play more than one week before the season starts, have trialed and /or placed in a team, then a 50% refund will be made
- If you decide not to play after one week before the season starts, then no refund will be made available.
- The club executive will use its discretion in the case of an injury preventing a player from playing. The probable outcome will be a credit on the players fees for the following season.
- A refund will also be considered in extreme circumstances.
